Dear Planning Policy

Re: Cheshire West and Chester - Blacon Neighbourhood Development Plan and Neighbourhood Development Order

Thank you for your notification of 10 December 2025 seeking the views of the Coal Authority on the above.

The Coal Authority is a non-departmental public body sponsored by the Department for Energy Security and Net Zero. As a statutory consultee, the Coal Authority has a duty to respond to planning applications and development plans in order to protect the public and the environment in mining areas.

However, the area to which this consultation relates is not located within the defined coalfield. On this basis we have no specific comments to make.

Yours
